Amount of check or money order enclosed \$ _____

(Fees must be paid at time of application)

A \$50 service deposit may be applied to the first water bill.

Each water bill may include an Elevated Service Area Charge or Surcharge.

A Service Charge, dependant on size of service, will be assessed on each water bill along with charges for any water usage.

All applications for fire services, commercial services, and irrigation services for common areas and signature entrances, require site plans.

All fees must be verified by a LWC Service Application Clerk before application will be accepted.**Stake Card Information*:** (Not needed if ordering Irrigation Retrofit only)

Please circle the letter that best indicates the desired location of the service. →

A Meter Location Card will be provided to be placed at the desired meter location.

The absence of a LWC Meter Location Card at the desired meter site, a pre-installed service sleeve or private service line, or the meter location marked on this application will result in the meter being installed at the center of the premise fronting the closest water main. LWC is not responsible for any facilities on private property, i.e. invisible fences, irrigation systems, or septic fields that interfere with the water service installation.
